HONORING JOHN “FOOTY” KROSS

(Ms. WASSERMAN SCHULTZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. WASSERMAN SCHULTZ. Mr. Speaker, I rise today to honor and pay tribute to my good friend and constituent, John Kross, who is also known to those of us in south Florida as “Footy,” the legendary morning radio host who will walk away from the microphone at the end of this week, ending more than 30 years as a morning radio personality.

The veteran on-air personality whose name is John Kross will host his final segment for the Y-100 Morning Show on Friday, May 5, 2006.

Footy has been helping south Florida wake up for more than 30 years and is a mainstay in the south Florida community. Footy is a passionate anti-drug crusader and an incurable chicken-wing junkie.

Originally, he created Footy’s Wing Ding, a chicken-wing eating competition, as a fundraiser to aid Here’s Help, a not-for-profit organization that assists adults and children with substance-abuse addictions.

Although the event began mainly as a competition to crown the maker of south Florida’s best chicken wings, it evolved over the years into a popular spot for pop music’s hottest stars.

Each year, Footy’s Wing Ding brought a host of celebrities to south Florida to raise thousands of dollars for area charities, including Here’s Help, the Sun-Sentinel/WB Television Channel 39 Children’s Fund and many others.

While thousands of radio listeners will undoubtedly miss Footy’s voice on their radios each morning, I am confident he has established a strong foundation that will help inspire generations of south Floridians to make a difference in their community.

It is my privilege to honor his service to our community in south Florida on

the floor of the House of Representatives.

I ask my colleagues to join me in recognizing John for a lifetime of achievement in radio broadcasting and charity work to wish him and his family many years of happiness, success and new challenges in the years ahead.

HONORING THE ACHIEVEMENT OF MICHELLE PARKS

(Mr. KIND asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KIND. Mr. Speaker, I rise tonight to honor Michelle Parks and her contributions as a great American educator at Northstar Middle School in Eau Claire, Wisconsin. President Bush has honored Ms. Parks with the 2005 Presidential Award for Excellence in Mathematics and Science, the Nation’s highest honor for teaching in these fields. In addition to the national recognition that comes with the award, Ms. Parks will receive a National Science Foundation Grant of \$10,000.

Ms. Parks teaches eighth grade mathematics, and her colleagues and principal at Northstar Middle School regard her as crucial to the success of the school and the performance of her students. Admired for her enthusiasm, creativity and knowledge, Ms. Parks is one of the most dedicated educators in the State of Wisconsin and nationwide. She is an advocate and pioneer for many collaborative efforts, including the connected mathematics programs. This program creates a complete mathematics curriculum that helps students systematically develop a deeper understanding of elementary mathematical concepts.

Mr. Speaker, we are deeply indebted to teachers such as Ms. Parks, who are the leaders in sustaining our Nation’s innovation and competitiveness with our students. And on behalf of a grateful Nation, but especially on behalf of her students, we thank her for her many years of dedication and congratulate her here this evening.
